## Blue Magic Introduces New Products and Packaging.

Since 1959, Blue Magic has built a reputation for products that perform. BlueMagic, Inc. is a leading manufacturer of specialty chemical products (cleaners, polishes, air fresheners, adhesives, and sealants) sold under the BlueMagic®, PURE CITRUS®, and CarGo® brand names. Founded as CarGo Chemical Company in 1959, the company purchased Blue Magic, Inc. in 2002 and began operating under that name. The Pure Citrus brand of all-natural air fresheners was added to the line-up in 2005 with the purchase of North American Oil Company.

This reputation was built on the success of products like our Metal Polish, Carpet Stain & Spot Lifter, and Headlight Lens Restorer.

Building on this success, this year we've introduced a new line of Supreme Wheel and Tire Care products, a Multi-Purpose Cleaner to expand our interior line, and Pure Citrus Fresh Linen Solid.

Finally, we updated packaging for a number of our products, which includes a new look for some of our Metal Polish products and Brush-On Electrical Tape.

At Blue Magic we believe in the performance of our products, and because of that belief, every product we put on the shelf includes our ironclad guarantee that it will perform or we'll issue a refund. We believe in our products and know that once you try them, you will too.
